(FOR ADDRESS ONLY.)

By Appointment.

Harlech Castle was built in the reign of Edward I by Henry de Elreton, and stands on an ideal spot for fortification. It is most prominently placed, and protected at each of the four corners by a strong tower. Like many other Welsh castles, it has been the scene of numerous sieges, from 1101 (when it was taken by Glyndwr) up to the Civil War.

Printed in England.
